<i>Hindi Song</i>	<i>English Translation</i>
आप द्रिष्टि यूँही देते रहो बाबा, (2) सुख सागर में गेहरे gahare उतर जाऊँ (2) हों पलकें ना पल भर बन्द मेरे meri (2) इन लेहरों को दामन में भर जाऊँ (2) आप द्रिष्टि यूँही देते रहो बाबा।	Keep giving us your divine sight (2) So I can take a deep dive in the ocean of Bliss (2) May I not blink my eyes even for a moment, May I not blink my eyes even for a moment, So I can hold on to the waves (of the ocean) in my hem. Keep giving us your divine sight.
हो गए अब निहाल ये नैना बाबा आपकी रुहानी नज़रों से पा लिया है मुझे था जो पाना ये आवाज़ निकले अन्तर से। आप शक्ति यूँही भरते रहो बाबा (2) इस देह की दुनिया से उड़ जाऊँ (2) आप द्रिष्टि यूँही देते रहो बाबा	My eyes are now fully content, having received your divine look, O Baba! I have achieved what I had wished for - this is voice coming from my Inner Being. Keep filling me up with divine energy (2) So I can fly away from this world of the bodies.(2) Keep giving us your divine sight.
शुक्रिया आपका लाखों बाबा, आपने हमको दिल से अपना लिया	Thanks a million, O Baba, for You have accepted us with all your heart. My thirst of many past lives has now quenched, as you have placed us in your sight (closer to you).

प्यास जन्मों की अब बुझ गयी है,  
अपनी नज़रों में हमको बसा जो लिया

आप आके यूँही मिलते रहो बाबा (2)  
बनके जन्नत की खुशबु बिखर जाऊँ (2)  
आप दृष्टि यूँही देते रहो बाबा

हर कल्प यूँही मिलते रहेंगे,  
प्रीत की डोरी रस्सी है बाँधी  
आपसे दूर ना रह सकेंगे,  
आये माया की कितनी भी आँधी  
प्यार की वर्षा करते रहो बाबा (2)  
मैं स्नेह के मोती से भर जाऊँ (2)

Keep coming to meet like this, O Baba (2)  
So I can spread like a fragrance of  
Heaven.(2)  
Keep giving us your divine sight.

We will keep meeting like this every cycle  
(Kalpa),  
such is the rope of Love that is tied.

(We) will not be able to stay away from you,  
no matter how many storms of Maya may  
come.

Keep showering Love (on us), O Baba (2)  
So I can be full with the pearl of love.(2)  
Keep giving us your divine sight (2)  
Keep giving us your divine sight,  
So I can take a deep dive in the ocean of  
Bliss (2)

May I not blink my eyes even for a moment,  
May I not blink my eyes even for a moment,  
So I can hold on to the waves (of the ocean)  
in my hem.  
So I can hold on to the waves (of the ocean)  
in my hem.

Keep giving us your divine sight (2)

आप दृष्टि यूँही देते रहो बाबा (2)  
सुख सागर में गेहरे उतर जाऊँ (2)  
हों पलके न पल भर बंद मेरी (2)  
इन लहरों को दामन में भर जाऊ (2)  
सुख सागर में गेहरे उतर जाऊँ  
इन लहरों को दामन में भर जाऊ

So I can take a deep dive in the ocean of  
Bliss (2)

May I not blink my eyes even for a moment,  
May I not blink my eyes even for a moment,  
So I can hold on to the waves (of the ocean)  
in my hem.

Keep giving us your divine sight.

Let me drift deep into the ocean of Your peace, where no shadows reach,  where only the glow of Your presence remains. May my eyes stay open to Your truth alone— so the waves of joy You send can gather silently in my being. Baba,  Your sacred glance has carried me beyond myself. In that moment, a thousand forgotten prayers found their answer.

Gratitude flows from me like a quiet stream— for every step You've guided, every sorrow You dissolved, every hope You restored. Baba, let me meet You again and again in the silence of my heart.
