

*Song:* ਤੁਮਸਾ ਹਸੀਨ ਬਾਬਾ | Tumsa Haseen Baba  
*Singer:* Mahendra Kapoor

तुमसा हसीन बाबा,  
तुमसा हसीन बाबा,  
कोई नहीं जहां में।  
कोई नहीं जहां में।

As beautiful (radiant & divine) as You, Baba,  
As beautiful (radiant & divine) as You, Baba,  
there is no one in this world!  
there is no one in this world!

तुमने हसीं बनाया,  
तुमने हसीं बनाया,  
हमको भी इस जहां में।  
हमको भी इस जहां में।

You made us beautiful,  
You made us beautiful,  
in this world as well!  
in this world as well!

तुमसा हसीन बाबा,  
कोई नहीं जहां में।  
कोई नहीं जहां में।

तुमसा हसीन बाबा,

As beautiful (radiant & divine) as You, Baba,  
there is no one in this world!  
there is no one in this world!

As beautiful (radiant & divine) as You, Baba!

सूरज या चांद किससे,  
सूरज या चांद किससे,  
तुलना करूं तुम्हारी ?  
तुलना करूं तुम्हारी ?

A bright sun is positioned in the center of the image, emitting a strong lens flare that radiates outwards. The background is a dark red gradient.

The Sun or the Moon - with which  
The Sun or the Moon - with which  
can I compare You?  
can I compare You?

रचता है तू सभी का।

रचता है तू सभी का।

रचना है सब तुम्हारी।

रचना है सब तुम्हारी।

You are the creator of everyone.  
You are the creator of everyone.  
Everything is your creation.  
Everything is your creation.

तू है जहां से न्यारा।  
तू है जहां से न्यारा।  
उपमा नहीं जहां मैं।  
उपमा नहीं जहां मैं।

तुमसा हसीन बाबा,

You are different from the world,  
You are different from the world,  
and has no comparison in this world.  
and has no comparison in this world.

As beautiful (radiant & divine) as You, Baba!

नज़रें पड़ी जो तुम पर,  
नज़रें पड़ी जो तुम पर,  
हटने का नाम न लें।  
हटने का नाम न लें।

When my eyes fall upon You,  
When my eyes fall upon You,  
they refuse to move away.  
they refuse to move away.

पलकों के डाल परदे,  
पलकों के डाल परदे,  
दिल में कहीं छिपा लें।  
दिल में कहीं छिपा लें।

Let the curtains of the eyelids fall,  
Let the curtains of the eyelids fall,  
so (we can) hide You gently within (our) heart.  
so (we can) hide You gently within (our) heart.

खो जाए, तुझ में बाबा।

खो जाए, तुझ में बाबा।

लौटें न इस जहां में।

लौटें न इस जहां में।

तुमसा हसीन बाबा,

Wish (I) completely lose myself in You, Baba,  
Wish (I) completely lose myself in You, Baba,  
and never to return to this world.  
and never to return to this world.

As beautiful (radiant & divine) as You, Baba!

माशूक प्यारा है तू,  
माशूक प्यारा है तू,  
आशिक है सारी दुनिया।  
आशिक है सारी दुनिया।

You are the most loving beloved,  
You are the most loving beloved,  
and the whole world is Your lover.  
and the whole world is Your lover.

तू प्यार का समंदर,  
तू प्यार का समंदर,  
हम तो तुम्हारी नदियां।  
हम तो तुम्हारी नदियां।

You are the ocean of love,  
You are the ocean of love,  
and we are your rivers (longing to merge in You).  
and we are your rivers (longing to merge in You).

तुझ में समा के बाबा,  
तुझ में समा के बाबा,  
तुझसा बने जहां में।  
तुझसा बने जहां में।

तुमसा हसीन बाबा,

By dissolving into You, Baba,  
By dissolving into You, Baba,  
may we become reflections of You.  
may we become reflections of You.

As beautiful (radiant & divine) as You, Baba!

यह प्यार है रुहानी,  
यह प्यार है रुहानी।  
दुनिया क्या जाने इसको।  
दुनिया क्या जाने इसको।

This love is spiritual (sacred and eternal)!  
This love is spiritual (sacred and eternal)!  
What would the world know anything about it?  
What would the world know anything about it?

है इ९क यह हकीकी।

है इ९क यह हकीकी।

इसकी खबर है किसको।

इसकी खबर है किसको।

This love is the real one,  
This love is the real one,  
- who else can understand it?  
- who else can understand it?

पल भर का वह भी झूठा,  
पल भर का वह भी झूठा,  
है प्यार इस जहां में।  
है प्यार इस जहां में।

That momentary one is a lie too,  
That momentary one is a lie too,  
(what we consider) love in this world.  
(what we consider) love in this world.

तुमसा हसीन बाबा,  
कोई नहीं जहां में।  
कोई नहीं जहां में।

As beautiful (radiant & divine) as You, Baba,  
there is no one in this world!  
there is no one in this world!

तुमने हसीं बनाया,  
तुमने हसीं बनाया,  
हमको भी इस जहां में।  
हमको भी इस जहां में।

You made us beautiful,  
You made us beautiful,  
in this world as well!  
in this world as well!

तुमसा हसीन बाबा,  
तुमसा हसीन बाबा,  
तुमसा हसीन बाबा,  
तुमसा हसीन बाबा,

As beautiful (radiant & divine) as You, Baba!  
As beautiful (radiant & divine) as You, Baba!  
As beautiful (radiant & divine) as You, Baba!  
As beautiful (radiant & divine) as You, Baba!
